Hello All,

I am setting up this meeting to discuss the timeline and development of EPA's response to the SFIREG Issue Paper on treated seeds. Amber and I discussed reaching out to the drafters of the issue paper from SFIREG and asking if they have any remaining questions after reading the petition response. This would likely reduce the response needed and be more targeted at their remaining questions. I wanted to put that idea out there but hoping to discuss this as well in the meeting. If anyone has any questions before the meeting please let me know.

Thank you,  
Quinn
